

1. Policy Statement

Health & Safety at Work Act 1974

C & D Electrical Contractors Ltd is committed to ensuring the health, safety and welfare of those persons working under our control and will establish the necessary systems to ensure this commitment. We also undertake the necessary actions to meet all our relevant legal obligations and any other requirement that relates to the organisations activities.

The Company is committed to providing a healthy & safe working environment with the objective of minimising the number of instances of accidents & illnesses.

The Company will, so far as is reasonably practicable, pay particular attention to:

- Ensuring the workplace for which our employees, and others under our control, work is in a safe condition and ensuring that adequate facilities and arrangements for welfare at work are provided
- Ensuring a safe means of access to and egress from the workplace is provided.
- Providing and maintaining equipment and systems of work that are safe
- Providing suitable arrangements for ensuring safety to health in connection with the use, handling, storage and transport of articles and substances
- Providing such information, instructions, training and supervision as is necessary to ensure the health & safety at work of our employees and others under our control.

To achieve these requirements, this policy is supported by a documented Health & Safety Management System comprising an organisational structure, responsibilities and management arrangements. It is the responsibility of the Company to ensure the successful implementation of the Health & Safety Management System, and as such the system will be subject to regular monitoring to ensure that our improving performance continues.

The contents of this policy and the supporting Health & Safety Management System shall be effectively communicated to all employees; and shall be made available to all interested parties.

This policy shall be reviewed periodically to ensure that it remains relevant and appropriate to the organisation, & at the very least, annually.
